STORY

Once upon a time, in the magical land of New Jersey there was a music teacher named Miss Katie. Miss Katie's best friend in the entire world was Mr. Steve. Mr. Steve was a rock n' roller who loved writing songs. One day, Mr. Steve & Miss Katie thought it would be fun to write songs together. Mr. Steve wanted to write songs that would inspire kids to dance around. Miss Katie thought it would be fun to write songs so everyone would sing-along. So, Mr. Steve & Miss Katie made a CD filled with fun music for fun kids. Would you please sing & dance also?

BIO

As musicians, New Jersey natives Steve Piperno and Katie Burtnick are inspired by the positive influence music has on the emotional and intellectual development of young children.

Mr. Steve is a singer, songwriter, producer, mixer and multi-instrumentalist who has toured the country with the rock band Green To Think. His music has been featured in a variety of mediums including television (HBO, MTV, and numerous cable television commercials), satellite radio, free radio, and independent films.

Miss Katie is a classically trained vocalist who holds a Master's degree in music education from Montclair State University and currently teaches elementary music at Rutherford Elementary School. Katie has also released several singles as a solo artist and briefly fronted the rock outfit *Honeyface*.

Mr. Steve & Miss Katie write, sing, produce, and record all their own music. They also play all of the instruments heard in their songs.

Mr. Steve and Miss Katie plan to wed in August 2008.
